## News You Can Use

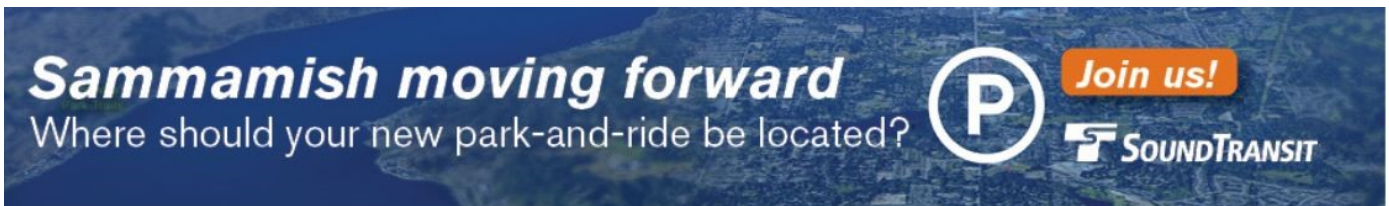

### [BPA Work at Beaver Lake and Klahanie Park Begins July 8](#)

The Bonneville Power Administration (BPA) will begin maintenance work within their easement in Beaver Lake Park and Klahanie Park the week of July 8. This work will include mowing, tree pruning and some tree removal.

Both parks will remain open during this maintenance work, but **the off-leash dog area at Beaver Lake Park will close for up to two days when tree removal work is happening in and around the dog park.**

Signs will be posted at both parks as a reminder of the upcoming work. For updates on maintenance work within Sammamish parks, please contact Belle Stanley at 425-295-0585.

## Seattle Shakespeare bringing *Romeo and Juliet* to Klahanie Park

Shakespeare in the Park brings classic plays to Klahanie Park performed by the [Seattle Shakespeare Company](#). Grab your picnic blanket or low-back chair and come enjoy the play. All events are free and open to the public!

The story of *Romeo and Juliet* is a series of escalating events that lead to desperate outcomes. Intense passions rage on both sides with love mirroring hate. The choice to embrace your enemy comes at a terrible cost for these two young people and also for their community.

Featuring a female and non-binary company, this production takes inspiration from Shakespeare's original casting practice, with a modern sensibility giving a whole new look at this classic story.

Romeo and Juliet will be presented at Klahanie Park on July 20.

## Traveling Hazardous Wastemobile Heading to Sammamish in August

Hours will be from 10 a.m. to 5 pm. each day.** Learn about what you can bring, safe handling of hazardous materials, and more at their website: <https://hazwastehelp.org/HHW/wastemobile.aspx>

## Sammamish Summer of Safety: Importance of Fire Extinguishers

Surveys show that when properly used, fire extinguishers are effective in extinguishing fires **95%** of the time. In cases where the fire was not completely put out, the extinguisher helped control the fire until the fire department arrived.

A simple way to ensure your protection against fire is to buy portable fire extinguishers and learn to use them properly. It's a simple investment that can make a life-saving difference!

Most fire extinguishers available at home improvement stores are multipurpose and can assist in putting out Class A through C fires.

For more information on fire safety, including hands-on training on Fire Extinguishers, register for Community Emergency Response Training (CERT) [here](#).

### **ABC(DK)s of Fire Extinguishers**

The five primary types of fire extinguishers are:

**Class A:** For use with materials like wood, cloth, plastic, and paper.

**Class B:** For use on combustible liquids.

**Class C:** For use on electrical equipment.

**Class D:** For use on flammable metals like magnesium.

**Class K:** For use on cooking oils found in commercial kitchens.

## **Public Works Updates for July 5 - July 12, 2019**

### **Eastside Triathlon - July 6**

On Saturday, July 6, the **Eastside Triathlon** will be occurring along **East Lake Sammamish Parkway** from **the City Limits up to the intersection with Inglewood Hill Road**. The race event will be between the hours of **6:50 am and 8:30 am**. There will be uniformed police officers at the intersections of Inglewood Hill Road and ELSP, Louis Thompson Hill Road and ELSP, and 212<sup>th</sup> Way at ELSP. For more information regarding the race,

## The Last Word

Hey! You've read all the way to the bottom! Have I ever told you how much I appreciate that? I do appreciate it. Really. Thank you.

Along those lines, have I ever told you that, *occasionally*, there are even prizes for that? Send an email about your favorite Sammamish E-News article and one lucky person, drawn at random, will win a City of Sammamish backpack!

Send your email by 5 p.m. on Wednesday, July 10, to be entered. The drawing will be on Thursday, July 11. Good luck!

As always, if you have a questions or comments about this newsletter I hope you'll reach out - you can send an email to [Communications@sammamish.us](mailto:Communications@sammamish.us) . You may also text or call us at 425-606-7435.

Be well, Sammamishians.
